### **EXAMINER'S AMENDMENT**

In view of the affidavit under 37 CFR 1.132 filed 8/23/07 and the following amendments that clarify the mechanical nature of the process, the rejections of claim 1,3-8,10-13,36 and 37 are overcome. One of the reasons for allowance is that the prior art does not show the process of providing an anti-static treated film of .5-1.75 mil thickness, providing a machine for feeding cards including a feed roller which cards having embedded electronic modules and mechanisms for wrapping and sealing the film, withdrawing a card from the feeder with the roller without touching the electronic module with the roller, passing the anti-static treated film over an anti-static bar and wrapping and sealing the card with the wrapping and sealing mechanism.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ms. G. S. Grunebach and Mr. E. Gifford on August 30, 2007.

In claims 1 and 36, lines 5 and 9, respectively, after "Cards" and "cards", respectively, --, a feed roller, a wrapping mechanism and a sealing mechanism-- has been inserted;

in lines 6 and 10, respectively, after "without touching the electronic module" has been replaced with, --with said feed roller without touching the electronic module with said feed roller --;

Art Unit: 3721

in lines 8 and 12, respectively, after "Card" and "card", --with said wrapping mechanism has been inserted; and

in lines 9 and 12, respectively, after "seal" and "film", --with said wrapping mechanism has been inserted.

Claims 14-35, directed to the non-elected invention, have been cancelled.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
